

FUTURE VISION

Take time to respond to each of these questions.

1. Identify a result or accomplishment – a future vision – you want in your work or life between one year from now.
2. What does it look like where you are?
3. What does it feel like?
4. What are words that best describe it?
5. What is it that makes this a total success?
6. What impact is it having on people?
7. What did you learn about yourself that was of most value in achieving this result?
8. What did other people learn?
9. What were the course corrections you made that otherwise might have thrown you off?
10. If you had to pick one thing that you or someone else did to affect this successful outcome, what was it?
11. If you were to give one piece of feedback to us here today, what would it be?
